To,

The Director  
Ebix Smartclass Educational Services Pvt Ltd

We would like appreciate your Smartclass program in our school provided by Ebix Smartclass Educational Services Pvt Ltd. We are following the state syllabus in our school and we had some issues with the contents earlier but now all those concerns have been addressed. We are very much happy with the Training programs and constant support from the team. The digital class rooms are successfully functioning and all the Teachers and students are effectively using the smartclass for better learning and understanding. The contents provided is really effective and attractive to the students. We are very sure that the Smartclass program will elevate their knowledge level.

We wish all the success to the company and we are looking forward the same level support.

Regards,

*Dr. Venu*
