Smart Class Educational Services Private Ltd.

Dear Sir/Madam,

Sub: Appreciation Letter

I am pleased to inform you that the "Smart Class" has been using very effectively in our institution for the past 5 years. It is updated with the latest version. We are now using the product "STEM" which is very much interesting to the teachers as well as the students. Mrs. Sophia David introduced a demo class on "Smart Class Pro", an innovative and impressive teaching method. A training programme for teachers was also conducted in our school to enhance teacher's ability to use the "Smart Class". I am happy with the Smart Class Co-ordinator and the SSG Team.

Thanking You

Yours faithfully
