Dear Sir /Madam,

Sub: Appreciation Letter

We are happy to inform you that the "Smartclass" in our school is working very effectively in supporting the teacher and student in their teaching and learning process. Our teacher had undergone a subject wise content session happened in our school with your expert for more than a week's time. This interaction was highly helpful for the teacher to take a deep dive in the contents elements available. We are quite happy and satisfied with the various new features and contents available in the smart class.

Overall we are very happy with the support and services rendered by Smartclass Educational Services Private limited.

Thank you,

Yours Faithfully,

Chumbakassery
