Subject :- Smart Class Programme

Dear Sir/Ma'am,

Smart Classes were inducted in our school in the year 2008 and since then have been running smoothly without hitches. The number of smart classes have been increasing in every session and the service provided by the Educomp Staff has been extremely efficient.

The content of the modules is being updated regularly, with regular workshops for reinforcement and familiarization with new content being undertaken at regular intervals. The Educomp Staff is extremely supportive and handles our queries competently.

With regards

Vinita Mahajan
