Dear Sir /Madam,

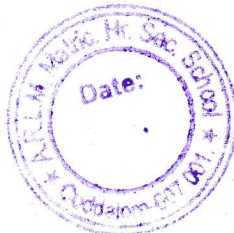

Sub: Appreciation Letter

We are happy to inform you that the "Digital Smart Classes" in our school are working very effectively in supporting the teachers and students in their teaching and learning process. Our teachers had undergone a subject wise content session conducted in our school with your experts for more than a week's time. This interaction was highly helpful for the teachers to take a deep dive in the contents elements available. We are quite happy and satisfied with the various new features and contents available in the smart class.

As a whole, we are very happy with the support and services rendered by M/s. Smartclass Educational Services Private limited.

Thank you,

Yours Faithfully,

G.S. Rajayogakumar
