Appreciation Letter

We have the privilege of having smart class in our school provided by Smart Class Educational Services Private Ltd.

Our students, Parents and teachers greatly appreciate the educational value and benefit received from this program. Teachers are happy that difficult lessons have been presented in a very easy and simple way and the students enjoy the class and appreciate it very much.

The management also appreciates the excellent training program conducted by a senior expert trainer. We have plans to set up a few more smart class in the coming years.

With regards

Principal
